

NEW Mobile Inkjet Printer

jetStamp® 990

- Prints date, time, texts, numbers
- Also for curved surfaces
- Single- and two-line imprints

Fast and handy: jetStamp® 990

The REINER jetStamp® 990 offers rapid operation in a particularly handy and compact format.

The smallest jetStamp® family member now permits fast and simple marking on any flat or irregular surface.

Like its big siblings, the inkjet printer stands out with best integration options: it can be used as a mobile device at the respective workplace, or as a stationary element integrated in the assembly line.
